ROOMS & PRICES

The Bell is the perfect venue to host a wide variety of events. We've had everything from weddings to conferences, baby showers to live bands. We have a versatile and adaptable set of spaces to suit every occasion and budget, and it's not just the space we provide either.

We can help you plan everything to make your day run as smoothly as possible.

We have 2 very adaptable areas for every occasion to book out to make your experience a little more private.

the snug

The Snug is a private and secluded area that can sit 18 guests comfortably over 2 big tables. It is often reserved for after work drinks or lunch time buffets, as well as family meals. It has comfortable booth style seats with a lovely log burning fire to make you feel cosy and at home.

It is located downstairs tucked away near the bar.
(There is no room hire fee for this space)

george's piano room

The Piano room is our best used space for bookings we can seat comfortably for a sit down meal up to 40 people, where we can provide you a set menu.

Or if you require more of a party atmosphere you could have the room set up buffet style and fit up to 60 people. We can also provide you with a PA system so you can play your own playlists or hire yourself a DJ or a band.

We even have a lovely piano if you would like a sing song at the end of the night with your friends.

It is also a perfect space for business lunch meetings and conferences. If you would like to book this space for whatever you like the possibilities are endless and we would be more than happy to help you plan everything to the last detail.
